(The total of the first six items of expense which amounts to \$707.45, are the "basic" or annual minimum for the department, and regardless of any other expenses.)

There will be an additional basic expense in 1955 for the "Red Network Phones"—this will be \$79.00.

As may be seen from the various expenses, the Department Building has been added to and improved. There have been additions and improvements made to the fire equipment itself, as well, and the trucks have been modernized to some degree.

The Fire Sirens, the Women's Auxiliary of the department, have continued their contributions in time, effort, energy, money and equipment. A new set of truck tires and lighting equipment for the building's second floor is representative of their generosity. They have as well provided Sunday and holiday meals for the firemen who have themselves continued their own work of construction and development. As heretofore, all building has been done by the members of the department.

This work, incidentally, includes the installation of an outside "Firebox" at the Corner (which is to be paid for by the Precinct out of its 1954 appropriation for the department). It also includes the re-wiring job necessary for the installation of an additional Siren Button at Deputy Chief Davis' home.

"Red Network Fire Phones" have been ordered and will be installed by the phone company as soon as it can get its "Central Office" equipment in shape in the Belmont exchange, for this special purpose. This installation provides two red painted phones, one at the Corner Store and one at Elmer Davis, home. They are "incoming Phones", set up for the reception of all fire calls made by the townspeople. No outgoing calls can be made on these phones, they being entirely separate units from the privately owned phones in the same spots. No other incoming calls may be made on them because the operators will not ring them for any purpose other than to report a fire.

The number will be listed in the next issue of the telephone directory under "Gilmanton Corner Fire Department: Peaked Hill Fire Department." The listing is set up that way so that both the Peaked Hill Fire Department and the Gilmanton Corner Fire Department are the same department; and so that there will be no confusion about calling other departments or other places. Call the number under that listing if you want to report a fire.

As soon as the phones are in there will be an announcement made to everybody; so that even before the listings are in the book you will know what to do. Remember that to report a Fire at the Iron works you call their number, which is listed under Gilmanton Hills. That is not ours. Be sure you call the right one.

This Red Network will provide an instant 24 hour service. An incoming fire call will ring both the phones; the store will pick it up in the daytime, and Elmer Davis at night. There is a siren button in both places, so that an instant alarm can be sounded. The annual cost is to be borne jointly by the department and the Sirens.

(This is a completely different and separate setup from the Radio Phones in the four fire trucks of the Corner and the Iron Works. The latter is a Civil Defense project, and will be provided not only to connect the two fire divisions in the town here, but to have them as constant emergency communication between this town and those surrounding us.)

There has been provided by the Fire Sirens an "Honorary Membership," for those ladies who cannot be active in the Sirens but who would like to make an annual contribution to their work. The annual membership is \$5.00. There are now seven members, and it is expected that several others will shortly join. Both all year 'round and summer residents are qualified.

Annual Report on Civil Defense

1954

In accordance with the arrangement which has been worked out with and approved by the State Civil Defense Director and the Air Force Filter Center, we have maintained during 1954 the Ground Observation lookouts in four different but related points in the town, all in addition to the official Observation Post on Frisky Hill.

Because the coverage is more geographically complete by utilizing this system, it will be continued for the year 1955, maintaining, as heretofore, the 24 hour a day, 7 days a week, 52 weeks a year. The records which are forwarded periodically to the State Civil Defense office show a heavy number of planes "caught" between midnight and dawn.

Many tests have been made, from many sources; the town has come off very well in these checks. Several people have received citations for length of service; the individual totals for which these citations have been given have ranged from 250 to 2500 hours. The names include William Dunn, Morse Brown, Howard Langley, Mrs. Leon Schultz, Mrs. Sybil Bryant, Mrs. Caroline Mick, Mr. and Mrs. Richard Price, Mrs. Richard Small, Bill Marden, Mr. and Mrs. John Gard.

There have been several "Alerts," at two of which incoming warnings the personnel of our respective Fire Departments at the Corner and the Iron Works have officiated with the Police Force in Traffic Control at the strategic road points. Not a wheel turned either time between the Alert Siren and the All Clear Siren.

The skeleton organization for divisions—all divisions—of Civil Defense has been maintained with but slight changes in the personnel involved. The Selectmen, generally speaking, are in charge of each town division in such matters, which incidentally include the basic surveys already made up of the town's housing facilities and potential in that and similar matters.

There is being prepared Gilmanton's participation in the interlocking radio telephone system between all neighboring towns in this region. The receiving and broadcasting units will be installed in all fire trucks of the town and at a master control center to be selected. Other towns about us are already so equipped. The \$500 dollars appropriated, approved by the budget committee, is for partial payment of this installation. The State and Federal Governments will share the original costs with us.

These radio units will provide emergency communication under both normal and unexpected conditions of operation. Tests have shown that reception between all parts of Gilman-ton, and with other town about us, is excellent. (This radio phone plan, by the way, is not a part of the "Red Network" Fire Department phones which will be described in the Report on the Gilman-ton Corner Fire Departmen.)

As a matter of general interest and to suggest a couple of definite bits of progress for our own use, the Civil Defense activity within the Federal Government and within the State, has increased this year very substantially, and it is expected, for example, that the number of Observation Posts to be manned for 1955 will triple throughout the country. It is also a fact that in 1954 the Observation Posts increased almost that amount.

While our own organization here in Gilman-ton—and perhaps you've forgotten or don't realize this—numbers some 125 people for all jobs, we'd be delighted to add other names to our list of those who have been so public spirited as to sign up in the past. Pass your name along to the local Director, the Selectmen, the Fire Chiefs, the Police Chiefs, or anybody you know is associated with Civil Defense or any part of the set-up.

Keep in mind, if you will, that in case of an emergency the State and Federal Civil Defense Organizations will start moving within seconds, and they expect us to get going just about as quickly. Our local headquarters is established both in organization and geographically; let us know what you'd like to do, and you'll be assigned to a job the minute you ask for it. You may not have to do anything right away, but you'll be in the right spot to do whatever it is, if or when, the time comes.

Minutes of the School Meeting

Held March 2, 1954 —Gilmanton Academy, Gilmanton N. H.

Pursuant to the above warrant, a meeting of the School District was held at the time and place within mentioned. The meeting was called to order by Mr. Harry W. Besse, Moderator.

Since all present had copies of the warrant in hand, the reading of the warrant was dispensed with upon a motion duly made and seconded to do so.

1. Voted that Howard Osler, clerk, cast one ballot for Harry W. Besse to serve as moderator for the ensuing year. Mr. Besse having the majority of the votes cast was declared elected for the ensuing year.
2. Voted that Harry W. Besse, Moderator, cast one ballot for Howard B. Osler to serve as clerk for the ensuing year. Mr. Osler having received the majority of the votes cast was declared elected for the ensuing year.
3. Moderator called for nominations for member of the school board to serve for the ensuing three years. Nominations were Mrs. Katherine Clairmont and William Dunn. William Dunn, having a majority of the votes cast was declared elected a member of the school board for the ensuing three years.
4. Voted that clerk cast one ballot for Mrs. Florence Durgin for treasurer for the ensuing year. Mrs. Durgin having received the majority of votes was declared elected treasurer for the ensuing year.
5. Voted that the salaries of the School Board and officers and any agents be the same as last year.
6. Since all reports of auditors, agents, Committees and officers are in the town report, they were not read.
7. Voted that the clerk cast one ballot for Austin C. Barlow and Howard B. Osler for auditors for the ensuing year. Austin C. Barlow and Howard B. Osler having the majority of votes were declared elected auditors for the ensuing year.

8. Voted that the District raise and appropriate for the support of schools, for the salaries of school district officials and agents and for the payment of statutory obligations of the District, the sum of Forty-two Thousand Nine Hundred Forty-two Dollars and Two cents (\$42,942.02) and authorize the application against said appropriation of such sums as are estimated to be received from the State Foundation Aid Fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and appropriation, which balance is to be raised by taxes by the Town.

Voted to adjourn.

School Warrant

State of New Hampshire

To the Inhabitants of the School district in the town of Gilmanton qualified to vote in district affairs:

You are hereby notified to meet at the Gilmanton Town Hall in said district on the first day of March 1955 at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating hereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, and for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums of money as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the school district will vote to adopt a plan for extending to employees of the school district the benefits of title II of the Federal Social Security Act (Old-Age and Survivor's Insurance) as authorized by Chapter 234 of the Laws of 1951 and to raise and appropriate the sum of \$32.00 to defray the school district's share of the cost thereof.

10. If the foregoing article is adopted to see if the school district will authorize the School Board to execute on behalf of the school district the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the school district will designate the School District Treasurer the officer to be responsible for the administration of the plan.
11. To transact any other business which may legally come before this meeting.

Given under our hands at said Gilmanton this first day of February 1955.

To the Members of the School Board, Parents and Voters:

Tuition Rates:

Tuition rates are increasing in all communities maintaining high schools, representing almost one-third of the annual school budget. The amounts needed for the 1955-1956 school year are apparently as follows, assuming that all the Grade 8 graduates will enter high school:

School	No. Pupils	Rate	Total
Alton	3	\$285	\$ 885
Belmont	5	275	1,375
Pittsfield	2	285	570
Laconia	21	321	6,741
Grade 8 Graduates (1955)	8	321	3,852
Total			<hr/> \$13,393

Grade School Graduates

In June 1954, the following completed the scheduled program for the eight years of school:

Corner School	Iron Works School
Beinvenido Azotea, Jr.	Richard Oliver Bickford
Barry Lane Clow	Linda Ann Evans
Grace Ann Cousins	Irene Doris Hillsgrove
Doris Anne Dudley	Richard Allan Hillsgrove
Angus Blenum Hiltz	Frank Edward Hyslop
Rita Emily Joyce	Alan Lines
Kenneth Morton MacKenzie	Stanley Raymond Thompson
Joanne Elise Wilkens	Robert Harrington

General:

(1) Mrs. Florence M. Durgin retired after a very successful teaching career in which three generations of Gilmanton Iron Works children became better citizens by their contacts with this sincere, industrious, conscientious, and faithful teacher. Her character and idealism will always be an inspiration to all the youngsters who were fortunate in having her start their school lives.

(2) Gilmanton should follow the example of the great majority of school districts which have adopted salary schedules. Gilmanton has been able to fill teaching positions by the fact that qualified teachers lived in the town or close to it, but that situation could change. Teachers' college graduates wish to teach in straight grades, rather than combination rooms of several grades.

(3) Gilmanton Iron Works School vacancies were filled by the election of two experienced teachers, Mrs. Eleanor H. Nelson as Principal and Grammar school teacher, and Mrs. Geraldine North as Primary school teacher.

Mr. Fred H. Carlson, Chairman, Mrs. Olive Brett Besse and Mr. William Dunn have held regular and special school board meetings concerning the finances, maintenance, improvements, and problems of the Gilmanton Schools. They have secured bids on general school purchases to save money for the taxpayers.

It is very significant that the voters at the annual school district meeting have accepted the budget for three years as presented by the School Board. It is clear evidence that the people will support the board recommendations.

May I thank the School Board, the teaching staff, the lunch supervisors and the custodians for their support and cooperation. The people of Gilmanton have been very cordial on all occasions and we welcome their continued assistance.

Cordially yours,

GORDON L. FOX

Superintendent of Schools
